Further, the buyer has 10 days in which to have puppy examined by a veterinarian and/or to personally inspect the Puppy. Buyer may return the puppy (and all paperwork) to Seller for a full refund for health issues within this period, providing the Buyer agrees to pay all return transportation costs to Seller. Breeder is at no point responsible for veterinary fees, costs, or diagnoses after Buyer has taken possession of Puppy.

2. Buyer's Representations

(a) Buyer is completely satisfied with and waives any and all claims regarding the Puppy's conformation and outward appearance, and agrees that Puppy meets the breed standards at this age.

(b) Buyer agrees upon purchase that Puppy **will not** be registered with any other registries besides the American Kennel Club without written permission from Breeder. If a Twilight Great Dane is found registered to a different registry (UKC, CKC, etc.) without breeders written permission, the Buyer will immediately return the said Puppy to the Breeder and pay fines as listed in Section 9 of this contract.

(c) Buyer agrees to update Seller at least once a year on condition of Puppy and is to include a current, clear picture of Puppy. Updates are due two (2) months prior to Puppy's whelp date. Updates may be sent via email or US Postal Service, to the above listed email address or postal address unless Breeder gives Buyer change of addresses, in which case will be sent to the new addresses.

3. Consideration

Puppy identified in this contract is being sold for the sum of \$ _____ under Section 4, and was paid in full before the puppy was removed from the litter.

4. Stipulation – Show/Breed Purchase

(a) Buyer understands that they have purchased full AKC registration on the named puppy. This purchase will allow buyer to show this puppy in sanctioned AKC conformation shows. Should the puppy develop any defaults which are disqualifying, the breeder will exchange the puppy with next available and mutually agreeable puppy.

(b) Buyer further understands that this puppy may be used for breeding purposes. Seller has agreed to grant the buyer these rights by giving full AKC registration to the buyer. These rights have been granted based on the understanding between the parties of the responsibility these rights bear. The breeder has further granted these rights with the knowledge that the buyer is aware of and has received a copy of the Great Dane Club of America's Code of Ethics and that the buyer will follow this code. However, in the followings areas, where the code states it is highly recommended, the buyer agrees to the following changes.

(1)The buyer acknowledges that they will only breed this dog to other full AKC registered Great Danes, and that all puppies produced will only be sold under similar contracts, to be either pet or show/breed purchases, with either full or limited AKC registration. No litters will be wholesaled to either a broker or pet store. Each puppy will be placed with the final, carefully selected home.

(2) The buyer agrees to follow generally accepted breeding practices, i.e. Female puppies will NOT be bred until the age of 18 months (18); (2).; Male puppies will NOT be used for stud until the age of twelve months (12).; Females will ONLY be bred once a year;

5. Health

(a) Seller agrees that Puppy is in good health and has received appropriate medical care. Seller will provide Buyer with information detailing treatment the puppy has received under Seller's care, and future care Seller feels essential to Puppy's well-being.

(b) Seller guarantees that Puppy is free of life-threatening diseases or disabilities for 10 days after delivery to Buyer. Buyer may return the puppy to Seller for a full refund for any reason within this period, providing Buyer pays all return transportation costs. Seller strongly recommends that Buyer have Puppy examined by a licensed veterinarian of Buyer's choice within 10 days of receipt of Puppy. Breeder shall at no point be responsible for veterinary fees, costs, or diagnoses, including those related to genetic faults, at any point after Buyer takes possession of Puppy.

(c) Buyer agrees that Seller shall not be held responsible for the development of any non-genetically derived disqualifying faults, diseases, or disorders.

(d) Seller guarantees that Puppy will obtain a passing OFA Hip/Elbow rating (Fair, Good, or Excellent) at the age of 2 years. Examination **MUST** be done by the age of 25 months and **ALL** x-rays **MUST** be submitted to OFA for evaluation. Failure to do so voids any hip/elbow guarantees. A copy of OFA hip certification must be forwarded to the Seller. If Puppy is diagnosed with bilateral hip dysplasia, a second set of x-rays (may be sent to OFA or to Seller, at Seller's discretion) must confirm the condition. If confirmed, a replacement puppy of equivalent value will be provided when available.

(e) Should Puppy be diagnosed with a genetically derived medical disorder before the age of 2 that is crippling or fatal in nature and which is attested to by two unassociated veterinarians, Seller will, upon provision of veterinary reports and, where applicable, OFA report, provide Buyer with a replacement puppy of equal quality as soon as one becomes available. The original puppy will be returned to the breeder. A second option is offered by the breeder. If the buyer so chooses, the breeder will pay medical costs associated with the genetic defect up to the full original purchase price of the puppy. No refunds of money will be made. Buyer is responsible for all shipping costs. This guarantee is extended **only** to the original Buyer(s) listed on this contract.
